

TECHNICAL DATA SHEET

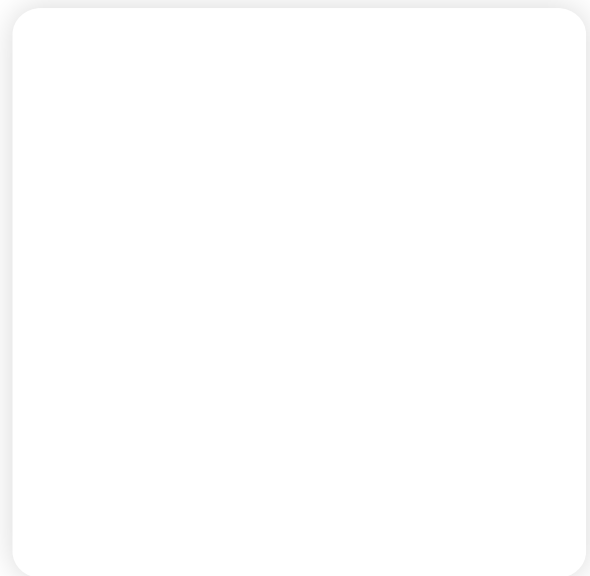

SCORPIO

Ref.

4123311 / 4123321 / 4123331 / 4123341

Description

A high-end ultralight harness designed for dedicated sport climbers, it delivers a precise fit with outstanding comfort, agility, and freedom of movement. The laminated waist belt with internal load-bearing webbing ensures even weight distribution, while breathable mesh padding and a durable, fast-drying, abrasion-resistant outer fabric provide a soft feel against the skin. The harness features four lightweight gear loops—two rigid front loops for quick access and two softer rear loops for added comfort with a pack—along with a rear haul loop that doubles as a chalk bag attachment.

Technical specification

Size: XS / S / M / L
Weight: 247 g / 263 g / 277 g / 290 g
Material: Polyester
CE-EN12277-UIAA
